

LIFE INSURANCE

Subject to the exceptions hereinafter set out, the Board of Education will contract to insure its employees under a contract or contracts of group life and accidental death and dismemberment insurance. This insurance shall provide for payment to the beneficiary of an employee in the event of the employee's death while employed by the district and accidental death and dismemberment benefits to the employee or the beneficiary in the event of covered loss while employed by the district. New employees shall be covered 31 days after the first day of full-time employment.) The premium for such contract or contracts shall be paid by the district. This policy shall not extend to providing such benefits to substitute teachers, substitute classified employees, temporary help, overload assistants, student helpers, any classified employee working less than five and one-half (5 1/2) hours per day, licensed employees working less than four (4) hours per day, or to any employee while on a long-term leave of absence. Benefits extended to employees under this policy are subject to terms and conditions of the master policy issued to the district.
